

Daina Frehse

Fast lane Institute for Knowledge Transfer GmbH

Gasstrasse 4a, D - 22761 Hamburg

16th December , 2014

Dear Miss Frehse

I am writing to express my interest in the Trainee apprenticeship that is currently available with your company .I would like to be considered for this vacancy and enclose my CV for your review.

I recently doing my masters in Distributed Software system from TU Darmstadt . Before my Masters I worked as a Network Administrator in Netmax technologies Pvt.ltd Chandigarh India , and as CISCO freelance instructor teaching both college students and corporate employees. .The combination of these jobs have given me both practical an theoretical knowledge that needed to hit the ground running in any future position. I now have a wide breadth of experience of the type that gives potential employers the flexibility to place me in a broad range of demanding situations, with the confidence that I will undertake my duties professionally and effectively.

Some of the key strengths require for the job that i can give

- 1.Already CCIE lab attempted
- 2.Working on SDN and python
- 3.Solid Understanding of Cisco certifications in terms of theoretical as well as practical knowledge

While it is early in my Networking career, you will find that I exhibit a powerful combination of proven ability, expertise, solid communication skills, and extensive hands on experience. I am looking to join an exciting and ambitious talent programme as this.

I appreciate you taking the time to review my credentials and I would like to thank you for your time and consideration.,

Yours Sincerly ,

Rajat jain
